## Fall Pledge Ceremony 2018

The current brothers of Alpha Epsilon Lambda sponsored 21 new pledges into the chapter on Sept. 23. Since then pledges have taken steps to become official brothers of Alpha Phi Omega through a variety of service and fellowship events as well as attending a weekly pledge class.

21 students pledge into Alpha Phi Omega as part of the Alpha Lambda pledge class.

*“Learning the traditions of Alpha Phi Omega has been a lot of fun. The history of the organization is very rich.”*

## Homecoming Fun on the Hill

McDaniel/Western Maryland College celebrated its 151 year anniversary. Alpha Epsilon Lambda took to the bowl overlooking the football field to tailgate, mingle with pledges, and connect with returning alumni.

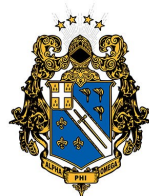

## Homecoming Service Project

In a joint effort from current brothers and pledges along with current advisor Joshua Ambrose, Alpha Epsilon Lambda took to the college owned Singleton-Mathews property post homecoming. Brothers and pledges worked to clean out a barn that will be used to house thousands of dollars worth of solar panels. In addition, a trail system started by the organization was further developed.

## Brother of the Month: Rachel Pigott

Year: Junior (Class of 2020)

Hometown: Barrie, Ontario, Canada

Major/Minor: Kinesiology  
Chemistry dual major

APO to Rachel: I loved serving in high school, and I saw the differences the organization was making around campus and in the community and I wanted to be a part of an group that makes such a huge impact. APO has not only allowed me to rediscover my passion for helping people, but I've connected with so many like-minded students and created so many friendships along the way!

## Bedlam in the Boro

Brothers volunteered with the Lineboro Volunteer Fire Department as part of their annual haunted fundraiser, Bedlam in the Boro. Brothers took on roles in a haunted house during a very spooky time of the year. Overall, the event is one of the biggest fundraisers for the fire department and APO is happy to have contributed to it!

## Closing Remarks

Happy October,  
Alumni brothers!

It's been a busy month for us actives on campus, and one of the most enjoyable yet for me in APO. From continuing our work on a new trail system to getting the campus garden ready for winter to picking pumpkins with my brothers on a far too breezy Sunday morning, our chapter has made some great strides.

We've seen one of our biggest pledge classes yet--21 eager neophytes--intertwine themselves with our chapter and nearly 50 of us actives welcome them with open arms.

As we close out a busy October, our heads are turned facing November. We're preparing for National Service Week--Suicide Prevention in the Community--, a trick or treat can drive for Carroll County Food Sunday, and tailgating around the bowl as we throw on more layers to welcome the last half of the semester.

The spirit of Leadership, Friendship, and Service remain alive on the Hill.

I hope more of you can join us for future fellowship and service events.
