### Paint Night:

We kicked off this month with a distress paint night right before finals of session A. There were some amazing pieces of artwork created during this time, one of them is featured below.

#### Brother of the Month:

This month our brother of the month is Jessica Thomas. She has displayed great initiative in helping with big little events as well as helping out with many other events.

### Garden Clean Up:

This month brothers also helped clean up the on-campus garden. During this crazy time it was great to be able to get outside and help clean the garden and hangout with fellow brothers.

## FELLOWSHIP:

Pledge vs brother basketball and pumpkin carving can be pictured below

Hello Alpha Epsilon Lambda Alum,

Happy Halloween! With this being one of the spookiest months of the year Alpha Epsilon Lambda sure did stick with the theme and complete some fall-tastic service and fellowship this past month. Things are moving by quickly here on the Hill. Midterms and Fall Break are both over and finals are rapidly approaching. Looking at the happier side of things though, this means we will soon be inducting new Brothers into our chapter! There is only one more week of pledge class and then new Brothers will be inducted on November 10<sup>th</sup> at 6pm in Little Baker. The pledges are hard at work completing all their requirements while current Brothers are preparing to welcome 20 new brothers into both our chapter and our lineages. We hope you join in spirit to soon welcome these pledges officially into our great Brotherhood! We look forward to November with open eyes as the chapter looks forward to exciting happenings such as officer elections and many more service, leadership, and fellowship events!

In leadership, friendship, and service,

Micaela Champion
