### Blood Drive

In partnership with the Red Cross, Alpha Phi Omega hosted a student organized blood drive where we were able to save 39 potential lives through the 13 units of blood

Want to give back? Give Blood!

### McDaniel College Blood Drive

April 20th from 3-7 PM  
in McDaniel Lounge

### Card Making and More!

Being that we are still in a Global Pandemic, a majority of our service has taken place virtually. Brothers meet either in person or via zoom to give back through an array of projects.

## FELLOWSHIP:

### 20<sup>th</sup> Anniversary Celebration

Alumni and Active Brother joined together on March 12<sup>th</sup> to celebrate the anniversary of the foundation of the chapter

### Mandala Making

A mandala is a geometric configuration of shapes and symbols! To get the creative flow, brothers banded together to design different mandalas in a craft oriented fellowship event.
